

Pain relief from the palm of your hand

Pain Free is Freedom!

Because circulation becomes compromised over time, overall health and wellness suffers.

From head to toe, the AVACEN Medical Device improves systemic microcirculation and improves the body's ability to eliminate waste through its lymphatic system.

The AVACEN Medical Device is FDA cleared/approved as a Type II medical device, that is non-invasive for clinical use and home use.

The body can repair itself, and medication and treatments are more effective.

- Drug free treatment
- Temporary relief of pain
- Promotes physical health
- Encourages better and deeper sleep
